Josh:

1. We are writing to you in your role as Hearing Officer.
2. We filed two documents under seal in this Docket, which were referenced as Exhibits in our e-filed Direct Testimony. We followed the Commission's guidelines on filing Confidential documents and the documents were placed in individual envelopes marked, "Confidential", and hand-delivered to the Commission.
3. These documents related to **Exhibit "2"** (Power Purchase Agreement entered into on April 9, 2018), and part of **Exhibit "6"** ("Confidential draft of 3/29/2018", "Power Purchase Agreement").
4. After discussions with the Company's counsel, the Company maintains that part of Exhibit "6" ("Confidential draft of 3/29/2018", "Power Purchase Agreement"), contains proprietary information and therefore should receive confidential treatment.
5. Therefore, the Company consents to the request that part of Exhibit "6" receives confidential treatment.
6. Upon reflection, Exhibit "2" (Power Purchase Agreement entered into on April 9, 2018), should not receive confidential treatment. Therefore, Carrie will e-file Exhibit "2", so that the Record will be complete with this document.
7. In conclusion, the parties request that part of **Exhibit "6"** ("Confidential draft of 3/29/2018", "Power Purchase Agreement"), be accorded confidential treatment. The Company's counsel are copied hereon.
8. Please advise if you have any questions/concerns.

Regards,
Richard Whitt
